

HRIZONS® Announces Silver Sponsorship at SAPPHIRE NOW®

MINNEAPOLIS, May 6, 2021

HRIZONS has announced it will be a silver sponsor for SAPPHIRE NOW®, SAP's innovative virtual event experience. This event kicks off on June 2nd with a Global Keynote, featuring SAP CEO Christian Klein and special guests, followed by a dedicated schedule for each region. The regional events include live studio updates, customer interactions, expert engagements, and on-demand programming so attendees can create a schedule that works for them. The event has multiple tracks including the HR Track at SAPPHIRE NOW, which will be offered on Wednesday, June 9th in the Americas and Europe, Middle East and Africa (EMEA) region, and on Wednesday, June 23rd in the Asia Pacific Japan (APJ) region. The HR Track is where customers can learn more about:

- Attracting and developing a future-ready workforce
- Business transformation with human experience management in the cloud
- Driving business value with human experience management
- HR for midsize companies
- HR trends and priorities

“We are very pleased to be sponsoring and participating in this global virtual event as a veteran SAP partner that is 100% dedicated to helping customers on their journey to build a human experience management cloud technology,” said Jim Newman, President & CEO.

At SAPPHIRE NOW, HRIZONS will host a live chat on its company profile page to showcase their HRZ® services offerings designed to help customers on their Journey2Cloud™ using human experience management (HXM) solutions from SAP. HRIZONS has helped hundreds of customers migrate from legacy human capital management (HCM) systems to SAP® SuccessFactors solutions®, which has been recognized by Gartner as a leading Core HR and talent management platform. This migration includes projects from SAP Human Experience Management Movement. HRIZONS offers customers a full complement of services, along with their experience and expertise, to support customers' transition to HXM, including planning, implementation, and post go-live services.

In addition to Journey2Cloud™, HRIZONS will promote its best-in-class HRZ® CLOUD APPS cloud software solutions, such as JDMS® | Job Descriptions Made Simple for SAP SuccessFactors. This industry-leading solution helps companies build and maintain a job library, integrate job content with SAP SuccessFactors and other HCM systems, and institute a governance program ensuring a compliant and always up-to-date library of job descriptions. JDMS for SAP SuccessFactors offers customers a fully integrated, streamlined end-user experience with many end-user features designed to address today's digital HR needs to support global workforces spanning many countries and languages.

About HRIZONS: As a trusted human capital management (HCM) cloud vendor in the SAP SuccessFactors ecosystem, HRIZONS is an HR cloud technology company that strives to help customers leverage SAP SuccessFactors and SAP Business Technology Platform to design, build, deploy and adopt HXM programs by providing solutions that bridge strategy, process, people and content to achieve competitive advantage through their people. HRIZONS has been helping customers make the digital transformation to HXM cloud since 2006 and is the most trusted brand to advise, execute, optimize and deliver, not just products and services but outcomes. The company's HR cloud solutions and services offerings solve customers' most difficult HR challenges to ensure their HR cloud technology landscape is optimized and fully compatible with their enterprise systems. HRIZONS is an SAP partner and a two-time SAP Pinnacle Award winner.
