

## **HRIZONS Employee Experience Division, HRIZONS EX, Announces Official Partnership with Microsoft Viva Solutions**

Minneapolis, MN, September 25, 2023

HRIZONS Employee Experience Division, known as HRIZONS EX, is excited to announce its official partnership with Microsoft Viva Solutions, a transformative platform designed to enhance employee engagement and drive organizational success. This strategic collaboration marks a significant milestone for HRIZONS EX as it strengthens its commitment to putting employees at the heart of businesses, fostering exceptional customer experiences, and propelling positive business outcomes.

The partnership with Microsoft Viva empowers HRIZONS EX to leverage cutting-edge technology and innovative tools that enable businesses to create a thriving workplace culture, ensuring that employees are central to the organization's growth and success. By combining HRIZONS EX's deep expertise in Employee Experience strategy and Microsoft Viva's advanced capabilities, customers will benefit from comprehensive solutions that drive engagement, productivity, and overall employee satisfaction. This includes Viva -Glint, a key part of the Viva Solutions suite of products that thousands of customers use globally to gather employee sentiment insights, and to take action on improving employee engagement.

### **Vision: Leading the Way in Exceptional Employee Experience**

HRIZONS EX envisions itself as the premier trusted advisor for companies seeking to develop and execute unparalleled Employee Experience (EX) strategies and programs to drive cultural transformations and improve employee engagement. By collaborating with Microsoft Viva, HRIZONS EX aims to empower organizations to cultivate a workplace where employees feel valued, motivated, and connected, leading to increased performance and business prosperity.

### **Mission: Elevating Employee Experience through Innovation**

HRIZONS EX is on a mission to partner with Microsoft Viva customers to offer high-performing consulting and services tailored to their specific needs. Service offerings include the following: People Science, Customer Success, Product Enablement, Technical Implementation and Consulting, Strategic Advisory, Change Management Consulting and other professional services as desired. These services are meticulously designed to assist organizations in realizing their employee experience aspirations. By employing a comprehensive approach, HRIZONS EX combines technology, data-driven insights, and strategic guidance to help clients achieve their employee experience objectives and elevate their overall business performance.

"Today's announcement of our partnership with Microsoft Viva is a testament to our unwavering commitment to providing unparalleled Employee Experience solutions," said Mary Poppen, President of the HRIZONS EX division. "Through this collaboration, we are equipped to deliver transformative strategies and services that enable customers to unlock the full potential of their workforce, foster exceptional customer interactions, and drive positive business outcomes."

HRIZONS EX's partnership with Microsoft Viva is a significant step forward in its journey to shape the future of Employee Experience. By aligning their vision and mission, HRIZONS EX and Microsoft Viva are poised to revolutionize the way organizations approach employee engagement, productivity, and overall success.
