

Announces an Exciting New Partnership

Minneapolis, MN - September 17th, 2024 – HRIZONS®, An HR Cloud Company is thrilled to announce a groundbreaking partnership between HRIZONS and my Meta that will transform the way organizations approach HR technology! This dynamic collaboration combines the innovative strengths of myMeta with the exceptional cloud-based HR expertise of HRIZONS to deliver unparalleled solutions that enhance employee experiences and drive business success across the United States.

A Game-Changing Partnership

In an era where cloud technology is reshaping HR, HRIZONS and my Meta are joining forces to lead the charge. “myMeta’s advanced Digital Adoption Platform (DAP) will now seamlessly integrate with HRIZONS’ cutting-edge HR advisory services, creating a powerhouse of solutions for optimizing cloud-based HR technologies”, said my Meta CEO Andrea Rubei. This partnership aims to establish new benchmarks in digital adoption, enabling organizations to seamlessly transition from outdated systems to modern, cloud-based HR solutions, she added.

Why This Partnership Matters

HRIZONS is renowned for its global advisory services focused on guiding organizations through the complexities of cloud-based HR technology implementations. As a dedicated advocate for optimizing core HR functions, HRIZONS empowers HR leaders to move from legacy systems to innovative cloud solutions, enhancing both employee experiences and business outcomes. Jim Newman, CEO of HRIZONS, an HR Cloud Company, added that “by teaming up with myMeta, HRIZONS gains access to a state-of-the-art AI-driven tools, which will take their already impressive offerings to the next level.”

What myMeta is Bringing to the Table

Together, HRIZONS and myMeta are poised to deliver a suite of transformative features designed to streamline HR processes and boost organizational efficiency such as:

- **AI-Driven HR Transformation:** Integrate myMeta’s AI-powered tools with HRIZONS’ cloud-based HR solutions to simplify and accelerate the adoption of new HR technologies and inject Gen AI into existing HR Management Platforms.
- **Enhanced Cloud Integration:** Seamlessly transition from legacy systems to advanced cloud-based platforms, ensuring a smooth and efficient upgrade process.
- **Optimized Employee Experiences:** Improve user satisfaction and engagement with intuitive, user-centric interfaces that are tailored to meet the needs of today’s workforce.
- **Streamlined HR Operations:** Benefit from a unified approach to HR technology that enhances productivity and aligns with modern business needs with workflow automation.

HRIZONS is a global Human Resources cloud-based technology provider, value-added reseller, and systems integrator, a boutique powerhouse, dedicated to helping HR leaders and organizations optimize their investment in cloud-based core HR, recruiting and talent management technologies, making Human Capital Management (HCM) combined with Employee Experience (EX) the standard for HR operations worldwide.

Since 2006 we have been 100% HR focused. Our HCM + EX solutions experts have worked with customers on thousands of projects around the world, who have seen significant benefits from our industry leading solutions, consulting, implementation, technical, and post go-live support services offerings.

We are an SAP Gold Partner and a two-time SAP Pinnacle Award winner, one of the first authorized Value-Added Resellers (VAR) for SAP SuccessFactors, and an SAP OEM (Build) Partner using SAP Business Technology Platform (BTP) . We continue to build on our legacy of success by introducing a new Employee Experience (EX) Division and growing our partner network with global tech brands including Qualtrics® EXM and Microsoft® Viva EX products such as Glint, Pulse and Insights.

What's Next

As we embark on this exciting new chapter, HRIZONS and myMeta are committed to driving innovation and excellence in HR technology. This partnership represents a powerful fusion of expertise and technology, promising to deliver exceptional value and transformative results for organizations worldwide.
